DEVON, ENGLAND Coombe Farm Studios, Dittisham

July 18th-24th 2010
& August 15th-21st 2010

Surrounded by rolling hills, ancient woodland, and winding country lanes, Coombe Farm Studios are right at the heart of the idyllic Dart Valley and just a few miles from the sea. The historic towns of Dartmouth and Totnes are within 20 minutes' drive, as is the 14th-century Dartington Hall with its gracious courtyard, expansive grounds and chamber music recitals.

Owned by Paul and Tina Riley, Coombe Farm Studios are housed in attractively converted, seasoned stone barns enclosed in a fetching, Provençal-style courtyard. It's a wonderful place for a creative holiday, regardless of whether you are a complete beginner or seasoned painter. Bettina's guidance and experience will help you all enjoy and improve your painting in a friendly, social atmosphere, created through the common bond of painting.

The immediate vicinity offers endless subject matter, from landscape and flower painting to capturing people and boats at the nearby harbour. The spacious, well-lit studio is open day and night.

In addition, you can sail or fish on one of England's loveliest rivers; horse-ride or ramble on Dartmoor, and get sand between your toes on the pristine beaches of the 'English Riviera'. The painting course is available to residential or non-residential students.

Residential non-painting partners are also very welcome and invited to have a go with a pencil and brush.

Accommodation and Meals

Residential students are provided with breakfast, lunch and dinner and are accommodated in single, double or twin-bedded rooms with shared bath and shower facilities.

Meals are prepared with fresh local produce, vegetables from the garden, and tea and coffee are available in the students' common room throughout the day.

On painting excursions, lunch will be cold buffet picnics. Vegetarians and food intolerances arising from medical conditions can usually be catered for. No supplement is charged for a single room, as this would discriminate against people on their own.

Non-residential students attend the painting course and are provided with lunch, but they arrange their own accommodation. The neighbouring Coombe Farm Fingal's Hotel is exceptionally convenient and offers French cuisine, a tennis court, croquet lawn, snooker table, jacuzzi and swimming pool. Self-catering cottages are available in Dittisham, and camping and caravan sites are situated nearby.

Itinerary and Excursions -

The first day we usually spend painting at Coombe Farm, which has painting subjects ranging from intimate corners around the courtyards to flowers and landscape views overlooking the dell and stream.

During the week we will take several painting excursions. One is to the scenic coastal area around Torcross and the Slapton Ley nature reserve. Another is to paint the exquisite view of the Dart estuary from a private garden. We will also take a trip along the stream to Dittisham creek and village. Further afield is Dartmoor, where we may spend half a day painting. Plans might vary a little depending on the needs for the day.

The Painting Course

Bettina's painting courses are suitable for all, from absolute beginners to accomplished painters. They are designed to help you to make the most of your abilities and to find a personal approach. The emphasis is on how to capture the initial excitement on first spotting a subject, without getting too bogged down in technicalities. Tuition will be in watercolour mainly but also in other media as required.

Daily demonstrations (in- or outdoors) are tailored to the particular needs of the students and to help you to get started. The tuition will also deal with general painting problems such as basic perspective, choice of colour, composition, shadows and many other tricks of the trade. Above all, Bettina's courses aim to enhance the pleasure of painting whilst improving your skills.

Particular attention is given to wet-in-wet technique as well as some of the ground rules for beginners. Groups are kept small so you can visibly advance within the course duration irrespective of your ability. For complete beginners Bettina teaches a simple, easy to follow 'step by step' approach.

Tuition is normally arranged in day sessions lasting from 10am until 4pm, so there is time for you to relax before dinner and explore the locality. If you are keen to continue painting, you are welcome to make use of the studio, gardens and courtyards around Coombe Farm.

Students should bring their own painting materials and easels if wanted. You can also contact Bettina for further advice on what to bring.
